

Mergers & Acquisitions

Our Mergers & Acquisitions team has extensive experience in both domestic and cross-border M&A transactions, serving the transactional needs of public and private companies, business owners seeking exits or other succession plans, private equity firms, venture capital firms and industry strategic investors.

Our M&A team works collaboratively with lawyers across all specialty areas within the firm such as tax, banking & financial services, securities, commercial real estate and employment, amongst others, to provide our clients with a comprehensive, full service offering for all of their M&A needs.
